

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Letter No. 14042, dated the 26th May 1914, from the Revenue Commissioner in Mysore, forwarding the report of the President of the District Board of Kadur on the Cattle Show held at Antarghatta, Kadur Taluk, in February 1914, in connection with Sri Durgamma's jatra.

No. 12931-3—L. B. 34-13-21, DATED BANGALORE, 20TH JUNE 1914.

ORDER THEREON.—Recorded.

It is hoped that the show will increase in popularity in future years.

D. M. NARASINGA RAO,
*Officiating Secretary to Government,
 General and Revenue Departments.*

To—The Revenue Commissioner in Mysore.

The President, District Board and Deputy Commissioner, Kadur District.

The Compiler, *Mysore Gazette*.

Report on the cattle show held at Antarghatta in Kadur Taluk on the occasion of the jatra of Sri Durgamma at Antarghatta which lasted for about a week, viz., from 11th February 1914 to 18th February 1914.

2. The holding of the cattle show was advertised in three successive issues of the *Mysore Gazette* on 11th December 1913, 18th December 1913 and 11th January 1914. Printed copies of the notices were widely published in all the hoblis of the taluk as well as in the adjoining taluks.

Publication of the notice of cattle show.

3. The management of the cattle show was entrusted to a Committee consisting of the marginally noted leading non-officials of the village guided by the Amildar and the District Sanitary Officer.

- Committee of Management—
1. Mr. Giriapur Nanjappa.
 2. „ Revanasiddappa.
 3. „ Chikkanallur Kellegowda.
 4. „ Shanbhog Lingappaiya.
 5. „ Nadig Chandrasekharaiya.

4. More than 2,000 head of cattle were reported to have been brought to the jatra, but only 450 were exhibited on the show ground to compete for prizes.

Number of cattle exhibited,
 etc.

5. The following statement shows the number and description of the cattle exhibited in the show ground:—

Description of cattle and
 number of prizes awarded.

1. Breeding bulls 20	3. Draught bullocks 300
2. Plough bullocks 100	4. Calves 30

As the cattle exhibited in the show were not of superior quality either in size or in breed, the Committee of Management decided that the prizes notified might be reduced and accordingly awarded prizes to the prize winners as detailed in the enclosed statement marked A. Thus the total value of prizes awarded was Rs. 55.

6. The show was held just by the side of the Tarikere-Hosdurga road about half a furlong from the Antarghatta tank. Sufficient supply of fodder is reported to have been kept ready for sale and water was available in the tank for animals. The cattle assembled under the shady trees and a small pendal was erected for the use of the gentlemen that attended the show. The District Sanitary Officer was present during the occasion and supervised the

sanitary arrangements. Eight temporary public latrines were constructed in suitable places and daily conservancy by the sweepers and scavengers had been arranged for.

7. As the show was in its infant stage, no fees were levied on cattle admitted to the show. The expenses of the show which were restricted only to the prizes awarded and also to the sanitary arrangements were met out of private subscriptions supplemented by a small contribution from District Funds. A list showing the names of subscribers and the amount subscribed is herewith attached.

8. Owing to the prevalence of plague in several parts of the taluk, no show was held during the year 1912-13. The members of the Committee express it as their opinion that the show held during the year was organized in a much better way than in 1911-12, the year in which it was first organized. A statement showing the receipts and expenditure is herewith marked B.

Rules regarding the constitution and conduct of business of the Representative Assembly as published by Notification No. 21572—F. 99-93, dated the 10th June 1894 and as revised by Notification No. G. 1803—G. R. 4-07-4, dated the 6th September 1907.

No. G. 10725-773—G. R. 17-13-1, DATED BANGALORE, THE 27TH JUNE 1914.

ORDER THEREON.—Several questions connected with the organization and functions of the Representative Assembly and the rules for transacting business therein were discussed at the last meeting of the Assembly.

2. After careful consideration, Government are pleased to lay down the following instructions in regard to some of the questions referred to above, in accordance with general sense of the Assembly ascertained in October last :—

(a) Constitution of the Assembly.

Graduates of an Indian University were eligible to become members of the Assembly under the Rules of 1891. This provision was omitted when the rules were amended in 1894, though they continued to have the right to vote. Government consider it desirable to provide for due representation of persons who have received higher education and are pleased to direct that Graduates of a University of not less than ten years' standing be deemed eligible for membership in the

Representative Assembly irrespective of any property qualification, provided that they have been residing in the taluk concerned for at least three years immediately before the date of the election. An additional clause to this effect will be inserted as clause (c) under Rule 3 in the rules issued with Notification No. G. 1803—G. R. 4-07-4, dated the 6th September 1907.

(b) Number of subjects for discussion.

The number of subjects for discussion in the Assembly, which has been steadily rising since 1907, reached the record figure of 832 last year. As such subjects are necessarily of varying degrees of importance, it is deemed desirable to limit the number of subjects without in any way fettering the right to discuss questions of real moment. Accordingly the maximum number of subjects, both General and Local, to be selected for discussion in the Representative Assembly in any year is fixed at 75 for each of the Districts of Bangalore and Mysore and 50 for each of the remaining districts. The selection of the specified number of subjects will be made on the basis of the number of votes secured for each subject at the preliminary meeting of the Representatives held by the Deputy Commissioners of Districts. The members should be informed by the Deputy Commissioners that, as a rule, questions of general importance should be preferred to purely local subjects which, as far as possible, should be attended to by the District Officers themselves. An additional rule to this effect will be inserted as Rule 5A in the rules issued in Government Order No. G. 4450-89—G. M. 235-06-1, dated the 18th January 1907.

(c) Rules for discussion.

With a view to further simplify the discussion in the Representative Assembly, Government are pleased to lay down the following instructions supplementing those issued in the Government Order dated the 6th September 1907 :—

- (i) The subjects received from the Deputy Commissioners will be classified by Government into two classes, *viz.*, Important and Ordinary.
- (ii) Important subjects will be first taken up for discussion in the Assembly.
- (iii) Ordinary subjects will then be discussed and dealt with rapidly, that is, they may not receive in the Assembly itself the same detailed consideration that Important subjects will.
- (iv) After a reply is given by the President of the Assembly to any representation, the subject shall not be discussed further.
- (v) A time-limit of 15 minutes for each Important subject and 5 minutes for each of the other subjects will be ordinarily allowed. Discussion by the speakers on any subject should not be prolonged beyond the time limit specified, without the special permission of the President.
